## Continuing Presentation by Stillwater Mayor Will Joyce

Ernest Tye, Vice Commander Programs, Stillwater Mayor Will Joyce, and Commander Floyd Branson Hanner-Sharp America Legion Post 129 Stillwater.

Mayor Will Joyce explained to members of the Legion about all the new city projects when they will start and/or will finish. For example, the 6<sup>th</sup> street project to add a new turning lane from Western to Perkins Road will begin in 2025 or so. New construction along Highway 51 will cause major interruptions like Perkins Road construction. Changes along 6<sup>th</sup> street mean major disruptions of businesses, relocating utility lines, and widening the street.
